

DISCOVER MTN. GARDENING EVENT

Saturday, October 22, 10 a.m. – 2:00 p.m.

Nature Center: 25225 Hwy 243

Speaker sessions are free

**Fall is the time to prepare, plant natives,
and fertilize lilacs!**

The Idyllwild Garden Club presents experts
on the following:

10 a.m. Edith Brix: Creating décor from the
gifts in our forest.

11 a.m. Gray Parton: Growing and tending
your lilacs. Special fertilizer for lilacs
available, plus free hand-outs

12:30 p.m. Bronwyn Jones: Sustainability
and Native plant gardens.

Members will be available to answer
questions about our club and gardening.

Fragrant daffodil bulbs, native plants,
gardening books, etc., will be available

Bring a sack lunch for a picnic in the pines.

Refreshments will be provided
